Wear your cardigan or your low-cut dress,
Just as long as your blonde, I must confess,
My favourite game - you know the name,
So love me, love - say that you will.

Chorus:

Viva! Viva! Nina!
Oh, Nina,
Uh-huh, uh-huh, yeah,
Uh-huh, uh-huh, yeah.
Viva! Viva! Nina!
Oh, Nina,
Uh-huh, uh-huh, yeah,
Uh-huh, uh-huh, yeah.

Rise and shine - it's time to go play on the moon,
You will never know if you don't show up by noon,
My favourite place In inner space,
So fool me, fool me - say that you will.

Chorus

Viva! Viva! Nina!

Oh, Nina,
This is something so new to me.
Uh-huh, uh-huh, yeah.
Viva! Viva! Nina!
Oh, Nina,
There is something for you and me.

You get what you give, and I'm giving so hard,
And, hell yeah, I'll live without playing the "line
card,"
I want to explain what all the posters mean,
So come with me and let's leave the land.

Communication breakdown - I can't seem to find
you,
An altercation with security - can I get through?!
That's why I came - who is to blame?!

Need me, need me Â– I know that you do!

Chorus
