"Let Go"

Visit "[Let Go](#)" on MotoLyrics.com

I swear I don't know
What time it is
But I know this means
Nothing much to me
And I hear the voices
Ring in my head
And they keep tell' me
Telling me to let go, let go
Telling me to let go, let go

It would be better that way
Let it go, let it go
It could be better that way
Let it go, let it go
It's just better that way
Let it go, let it go
It could be better that way
Let it go, let it go
It's just better that way

And I hear the voices
Ring in my head
And they keep tell' me
Telling me to let go, let go
Telling me to let go, let go
Telling me to let go, let go
Telling me to let go, let go

Ah ah ah let it go (4x)

Cause It could be better that way
Let it go, let it go
It could be better that way
Let it go, let it go
It's just better that way
Let it go, let it go
It could be better that way
Let it go, let it go

Cause It could be better that way
Let it go, let it go
It could be better that way

Let it go, let it go
It's just better that way
Let it go, let it go
It could be better that way
Let it go, let it go
It's just better that way
