Gabriel Antonio

In the studio, in the bed all night long(all night long)
We can do it in the studio, in the bed all night long(all
night long)
in the studio in the bed (all night, all night eh eh)
In the studio in the bed, in the bed, in the bed(fading)

Girl, i love the way your movin' your body baby
You lookin at me while im lookin at you let me lick your
body baby
We can do it all day, we can do it all night
It's whenever you want it baby
I got that thing to make you feel real good girl
It's whatever you want, we can do it in the dark, or with
the lights on(lights on)
We can make love(we can fuck)
Am i turnin' you on girl?
Let me hop in it baby, i know i need it girl
This ain't no Pretty Ricky, its Gabriel Antonio
I can do it from the front you can back it up doin it so
hard(so hard, so hard)
Baby girl i know you like it hard
I love the way you look at me when im diggin you out(
im diggin you out, im diggin you out, hey diggin you
out, diggin you out)

In the studio, in the bed all night long(all night long, all
night long)
We can do it in the studio, in the bed all night long(all
night long, all night long)
In the studio, in the bed all night, all night
In the studio, in the bed(in the bed in the bed in the bed
in the bed)
Ima' put my Pretty Ricky on this moment(lets go lets go)
Check it, im a scorpio high-tech freak, different
position every day of the week
If you like baby girl don't peak, got a little secret that
can make you tweek
Kiss you on the table on the label lick your feet, you
don't have to leave now girl you and me
Hit the boom, boom, boom behnd in ya fantasies

No blues clues girl just break it before you leave
Coz enough time left here with me just take it slow,
anybody else around don't really don't have to know
Unless you wanna go and tell give em' a show about
how many times i made you uh- (shh) huh
Bay girl just tryna cut, put you in the part tell me baby
whats up
I got some studio time i got some empty slides, come
through let me fill them up

So come on let me see you down next to my keyboard,
it so exclusive coz you won't see this on tour girl
Ima' give you the mike' you can push the chord just like
a movie baby
(Studio from the bed down to the floor, down to the
floor, down to the floor)
Antonios still still claim it thouhgt, rock your body coz
im movin it oh, slidfe it this way coz im doin in
slow(slide it this way coz im doin it slow)

In the studio, in the bed, all night long(all night long)
We can do it in the studio, in the bed all night long(all
