It's a mountain on my mind,
And the top is in the sky,
Let the money turn it up,
Let me take over your mind,
Just a little bit of time, before I blow up,
Gettin' all this money guaranteed bitch Imma blow up.

Â

Late night, I'm comin,
Tryna cuddle up cuz you feeling lonely,
Cause every day the same thing,
I make money, my Mack Maine,
My windows down, I switch lanes,
I'm laced up, let the rain fall on my window pane,

Â

I'm good,
I got your bitch she on my wall,
Man she twerk she never fall,
When she goes she give it all,
I got your bitch she on my wall,
Man she twerk she never fall,
When she goes she give it all,

Â

Back, another city 'nother song,
'Nother person on my arm,
And I'm sorry that I'm wrong, but but,
This happens when I'm all alone,
I've been solo for so long, solo for so long, Back back,
Another city 'nother song,
'Nother person on my arm,
And I'm sorry that I'm wrong, but but,
This happens when I'm all alone,
I've been solo for so long, solo for so long,

Â

It's a mountain on my mind,
And the top is in the sky,
Let the money turn it up,
Let me take over your mind,
Just a little bit of time, before I blow up,
Gettin' all this money guaranteed bitch Imma blow up.

Bad bitch freak hoe, you know I buy you two of those,
IÂ'm ridinÂ' round, who fuck with you,
IÂ'll beat em up IÂ'm superman,
You good, illuminate, Diamonds my soul mate,
IÂ'm jet bound my money right,
You lookin at me I look right,

Â

AinÂ't nothin wrong you stay sleepin,
Just call me when your nigga trippin,
IÂ'll come through and IÂ'll turn it up,
DonÂ't tell nobody you know what up.
IÂ'm good, you stupid thick and IÂ'm drunk as fuck,
And you tryna beat,
But IÂ'm good, IÂ'm good, IÂ'm good IÂ'm good IÂ'm
