CHORUS:

i wanna lick your body like icecream girl
stawberry icecream girl
chocolate icecream
i wanna lick your body like icecream girl
stawberry icecream girl
chocolate icecream
i wanna lick ur body, lick your body, lick your body
lick your body like icecream

aye she dont want no boyfriend
she just wanna have fun
shove it? tuned up, hola!
this aint that kinda song
im feeling sexual
bring your body towards me
take off your clothes and begin to grind on me
i know you got a man
what i gotta do with it?
he aint got swag
he cant get up in it
i know you got a man
what i gotta do with it?
he aint got swag
he cant get up in it

so scream if you want to, nobody can hear you
imma make you climate?
then i put it in you
so scream if you want to
nobody can hear you
imma make you climate?
then i put it in you

CHORUS:

i wanna lick your body like icecream girl
stawberry icecream girl
chocolate icecream
i wanna lick your body like icecream girl
stawberry icecream girl
chocolate icecream

i wanna lick ur body, lick your body, lick your body
lick your body like icecream

You my number one fan
tell you i aint really hearing that ?
close your eyes as i lay you on your back
turn off the lights, yeah
its getting kinda late
nobody home
im thinking time to celebrate

so scream if you want to, nobody can hear you
imma make you climate?
then i put it in you
so scream if you want to
nobody can hear you
imma make you climate?
then i put it in you

CHORUS:

i wanna lick your body like icecream girl
stawberry icecream girl
chocolate icecream
i wanna lick your body like icecream girl
stawberry icecream girl
chocolate icecream
i wanna lick ur body, lick your body, lick your body
lick your body like icecream

so scream if you want to, nobody can hear you (x2)

i wanna lick your body like icecream girl
chocolate icecream
i wanna lick your body like icecream girl
stawberry icecream girl
chocolate icecream
i wanna lick ur body, lick your body, lick your body
lick your body like icecream
