Hey pretty lady
2009 we already here man
We crazy for this one
Ey gabriel antonio man what's happenin
Gabriel antonio, ha, uh huh, hey
You doin bug thangs man, they see ya, puppetmaster
Hey hey hey, this is the remix
Hey pretty lady, I am the 80s baby

Shawty wanna fuck
Call it making love
I know she wanna touch me
Tell me that she love me
She can't get enough, she can't get enough

Shawty wanna fuck
Call it making love
I know she wanna touch me
Tell me that she love me
She can't get enough, she can't get enough

I ran into a shawty other day, her ass swoll
Baby bust it open, lollipop was in her mouth
She said she like my swag
I can tell she from the south
I beat that pussy up,
Guaranteed to knock it out
They don't even know me
But I stay on my grind
Running this shit since 1985
Called pup up, tell them haterz get in line
A one way ticket to the top, I'm 'bout mine
DB Chain, G Inc on my side
Lil Weezy did it, but the remix all mine
Gabriel antonio, they say it all the time
Yeaah I blew up with
I love the way you wind
Hahahahahaha

Shawty wanna fuck
Call it making love
I know she wanna touch me

Tell me that she love me
She can't get enough, she can't get enough

Shawty wanna fuck
Call it making love
I know she wanna touch me
Tell me that she love me
She can't get enough, she can't get enough

I'm a puppetmaster
Got a stalker, gotta go
So please don't lick it fast little mama
Lick it slow
And while you take it slow
Tote that booty up so mo'
And when you finish me next is gabriel antonio
She said her man can't do it like us
She never heard that autotune used like us
The other niggaz try
They can't do it like us
They act like they don't see us
We just keep it hush hush

So I say just lick my lollipop
Baby lick my lollipop, lick my lollipop
You can lick my lollipop, lick my lollipop
Baby licky licky licky licky
Licky licky licky licky don't stop

Shawty wanna fuck
Call it making love
I know she wanna touch me
Tell me that she love me
She can't get enough, she can't get enough

Shawty wanna fuck
Call it making love
I know she wanna touch me
Tell me that she love me
She can't get enough, she can't get enough

Make money dude got a million coming soon
Now errbody jockin
Man I wish I was you
My song hit number one
Yeah I love the way you move
Or is it how you wind, girl I forget the lines
She said she like my money
Man I hear it all the time
Them hataz on point
They don't wanna see me shine

My middle finger finger up
Lock it up, I get mine
But they don't even know it
I'm the next one in line
She said she like my hustle
Man I'm on my rick ross
Puerto rican t-pain
Yeah I'm something like a boss
Tampa bay to bade country
That's where it's made
My lollipop flavour, yup that pink lemonade, shawty

Shawty wanna fuck
Call it making love
I know she wanna touch me
Tell me that she love me
She can't get enough, she can't get enough

Shawty wanna fuck
Call it making love
I know she wanna touch me
Tell me that she love me
She can't get enough, she can't get enough
