We be ridin' around in the backseat of the car drinkin
two beers and a bottle of rum,
gettin drunk, so bored, how i have fun
i feel, i feel, i feel, i feel like, i feel like

Hey there fellah won't you give me a ride
you in the back, me in the front while i sip on my wine
you lookin mighty damn good
i feel like kisssing you all (lets, lets spend)
lets spend money all the time
let me ride the bull, don't drive too fast i wanna come
with you
i can get it done, i'm a bad ass country girl (girl)

I'm so versatile with my music some make hits but i just
make music,
something you can ride to, so you don't lose it, baby
you can cry to but just dont lose it
me and my music that's how i get down
roll around in the A, baby we can get down
with my rent-al car, we can ride around town, baby i'd
do anything so you can ride my town
lay you down, text me, what you want...ice-cream? with
some weed
hey this is how we get down, little hit town,
where we from, where i stay hey, this is how we get
down,
ridin around, ri-ri-ri-ridin around

We be ridin around in the backseat of the car, be ridin

gettin drunk, gettin drunk, gettin, gettin, gettin drunk,
gettin drunk, gettin, gettin
