Verse One:

You Broke My Heart,
You Made Me Cry,
I Can't Deny,
Your So Long Ago,
My Trust Was In You,
And You Betrayed Me,
What Can I Do?,
I Was Living A Lie,
You Made Me Feel,
Calling Me Useless,
Like I'm Just A No One,
And You Think Your Someone,
How Does It Feel,
To Know That You Killed Me,
To Know That You Murdered Meeee,
I'm Innocent....

Chorus:

Tears Through A Letter
Tears Through A Letter

Tears Through A Letter
Tears Through A Letter

Tears Through A Letter
Tears Through A Letter

Tears Through A Letter
Tears Through A Letter

Verse Two:

What Goes Around Comes Around,
Soon You Will See,
All Of The Pain,
That You've Given To Me,
And Now Your Alone,
I Can See Through You,
I Hope You Realize,
What You've Done To Me,
You Pulled Me Down,
Making Me Feel,

Like I'm Just A No One,
And You Think Your Someone,
How Does It Feel?,
To Know That You Killed Me,
To Know That You Murdered Me,
I'm Innocent....
Innocent, Innocent, Innocent.... (echo)

Chorus:
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter

Bridge Melody

Chorus:
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter
Tears Through A Letter

End:
How Does It Feel?,
To Know That You Killed Me,
To Know That You Murdered Me,
I'm Innocent....
How Does It Feel?,
To Know That You Killed Me,
To Know That You Murdered Me,
I'm Innocent....
You Pulled Me Down,
Making Me Feel,
Like I'm Just A No One,
And You Think Your Someone,
How Does It Feel?,
To Know That You Killed Me,
To Know That You Murdered Me,
I'm Innocent.....
