You're just too good to be true, can't take my eyes off
of you
You'd be like heaven to touch, oh, I wanna hold you so
much
At long last love has arrived and I thank God I'm alive
You're just too good to be true, I can't take my eyes off
of you

Pardon the way that I stare, there's nothing else to
compare
The thought of you leaves me weak, there are no words
left to speak
But if you feel like I feel, oh, then let me know that it's
real
You're just too good to be true, can't take my eyes off
of you

I love you, baby and if it's quite all right
I need you baby, to warm a lonely night
I love you baby, trust in me when I say

Oh, pretty baby, don't bring me down I pray

Oh, pretty baby, now that I've found you stay
And let me love you baby, let me love you

You're just too good to be true, can't take my eyes off
you
You'd be like heaven to touch, oh, I wanna hold you so
much
At long last love has arrived and I thank God I'm alive
You're just too good to be true, I can't take my eyes off
of you

I love you baby and if it's quite all right
I need you baby, to warm a lonely night
I love you baby, trust in me when I say

Oh, pretty baby, don't bring me down I pray
Oh, pretty baby, now that I've found you stay
Oh, pretty baby, trust in me when I say

I love you baby and if it's quite all right
I need you baby, to warm a lonely night
I love you baby, trust in me when I say
