Y'all need to get ready to hear,
The unbelievable, indescribable
Vanessa Hudgens
Baby V

Everyday I try to play another game
But my heart can't take it
I try to find another boy
But all the while I can't face it
Why do I miss you so much?
I wanna stop to turn inside
Oh baby please
Give us one more try

I See you out with all your friends
Laughing it up as you pretend
To have a good time, I know cause I'm living the same
life
Now I'm about to go to say
We can't keep living this same way
So I'll be the one
Yeah I'll say it I'll say it I'll say it I'll say it again

Baby come back to me
In my heart I still believe
We were meant to be
Together so whatever it takes

Baby come back to me
I should've never set you free
Love maybe
Come back

I wanna call, but then I stall
Cause after all, I just couldn't take it
Cause if you play just to push me away
You know the day, my heart you'd break it
I know we made a mistake
Can't you stop your foolish pride and
Come back to me

Let us try, let us try, let us try, let us try it again

Baby come back to me
In my heart I still believe
We were meant to be
Together so whatever it takes

Baby come back to me
I should've never set you free
Love maybe
Come back

You know you miss your Baby V
And I can see that you think about me
So why do you act like you don't care
Like all this love between us isn't there
I know that you're upset
I know I did you wrong
I know that you want me to pay for all the pain I've
caused
But in the end it all comes down to just one thing
It's you and me

So I sing

Baby come back to me
In my heart I still believe
We were meant to be
Together so whatever it takes

Baby come back to me
I should've never set you free
Love maybe
Come back
