Boy walk in the spot he so fresh nâ', uh huh  
He got what he needs, impressin'  
Just look at the way that he dressin'  
Ain't no question, chicks like 'OH!'

Girl walk in the spot, she stops traffic  
She got everything you can't pass it  
So Jessica Alba fantastic  
Instant classic, boys like 'Woah'

Baby I can see us movin' like that (like that)  
Baby I can see us dancin' like that (like that)  
Baby I can see us chillin' like that (like that)  
We don't need no more than he said, She said

Baby I can see us movin' like that (like that)  
Baby I can see us dancin' like that (like that)  
Baby I can see us chillin' like that (like that)  
We don't need no more that he said, She said

He said girl you winnin'  
She said boy where you been?  
Stop talkin' lets get with it  
Just like that they

He said "youâ're amazing"  
She said "then why you waitin"  
No more deliberatin'  
Watcha doin' letâ's get movin'

Boy actin' as if there's no pressure  
He'd do anything to get with her  
He'd say anything to convince her  
Money spent, two diamond spent her

Girl playin' it cool, But sheâ's with it'  
She's lovin' the fact that she's gifted  
Everything that he do, She gets lifted  
Feels so wicked, lovin' like oh!

Baby I can see us movin' like that (like that)  
Baby I can see us dancin' like that (like that)

Baby I can see us chillin' like that (like that)  
We don't need no more than he said,

Baby I can see us movin' like that (like that)  
Baby I can see us dancin' like that (like that)

Baby I can see us chillin' like that (like that)  
We don't need no more than he said, she said

He said girl you winnin'  
She said boy where you been?  
Stop talking, let's get with it  
Just like that they

He said "you're amazing"  
She said you "then why you waiting?"  
No more deliberatin'  
Watcha doin' lets get movin'  
Just like that they

One day with you, Boy just one day with you  
All the things we could do, Everyday I think of  
Being with you, no one else but us two  
All our dreams would come true  
If we just got together

Baby I can see us movin' like that (like that)  
Baby I can see us dancin' like that (like that)  
Baby I can see us chillin' like that (like that)  
We don't need no more than he said, she said

Baby I can see us movin' like that (like that)  
Baby I can see us dancin' like that (like that)  
Baby I can see us chillin' like that (like that)  
We don't need no more than he said, she said

He said girl you winnin'  
She said boy where you been?  
Stop talkin', let's get with it  
Just like that they

You gonna like, uh huh, it you gonna want it, uh huh,  
you gonna like it, uh huh  
We don't need no more than he said she said

You gonna like it, uh hu, you gonna want it, uh huh, you
