"When There Was Me And You"

It's funny when you find yourself
Looking from the outside
I'm standing here but all I want
Is to be over there

Why did I let myself believe
Miracles could happen?
'Cause now I have to pretend
That I don't really care

I thought you were my fairy tale
A dream when I'm not sleeping
A wish upon a star
That's coming true

But everybody else could tell
That I confused my feelings with the truth
When there was me and you

I swore I knew the melody
That I heard you singing
And when you smiled
You made me feel

Like I could sing along
But then you went and changed the words
Now my heart is empty
I'm only left with used-to-be's
And once upon a song

Now I know your not a fairy tale
And dreams were meant for sleeping
And wishes on a star
Just don't come true

'Cause now even I can tell
That I confused my feelings with the truth
'Cause I liked the view
When there was me and you

I can't believe
That I could be so blind

It's like you were floating
While I was falling
And I didn't mind

'Cause I liked the view
I thought you felt it too
When there was me and you
