I'd like to think like Einstein
Know the equal of pie
And never need to ask why
Why, why boys don't cry?
Where we go when we die?
And what's the meaning of life?

Whatever the weather man's saying, we follow
Sunshine or rain
But he'll never tell me how I feel tomorrow
Pleasure or pain

The lessons I'm learning
Just leave me burning for more and more
I lie awake hoping, Jesus ain't joking
I'm sure that He's sure

Whatever the weather man's saying, we follow
Sunshine or rain
But he'll never tell me how I feel tomorrow
Pleasure or pain

So tell me why the world keeps on turning, turning
And why so many people are hurting, hurting
How we traded honestly for lying, lying
'Cause we're only gonna make it if we're trying, trying

You put a man on the moon
But you can't save that, baby, and that pains me
You'll make a red rose turn blue
But you can't stop us dying keep on trying

Whatever the weather man's saying, we follow
Sunshine or rain
But he'll never tell me how I feel tomorrow
Pleasure or pain
