I'd like to find something  
I got my best dress on  
And I'll play from 'Dusk Till Dawn'  
And 'When You Sleep Tonight'

I'd hold my pillow tight  
I'd turn all the lights off

Oh, I say, don't say  
That you're up to nothing  
Your sure up to something  
Today, boy I'll start a laughing  
'Cause you will pay

Save the lies I'm a saying  
I might get a bit rough  
If he ain't good to me  
Oh, good to me

So I say with a smile  
'Cause I know that he'll be good  
You better be good to me  
You better be good

You better treat me nice  
Or I'll come back to bite  
Boy, just you wait  
And see I'll throw you  
In skin deep into reality  
No this ain't fantasy

Oh, I say, don't say  
That you're up to nothing  
Your sure up to something  
Today, boy I'll start a laughing  
'Cause you will pay

Save the lies, I'm a saying  
I might get a bit rough  
If he ain't good to me  
Oh, good to me

So I say with a smile  
Cause I know that he'll be good  
You better be good to me  
You better be good

Save the lies I'm a saying  
I might get a bit rough  
If he ain't good to me  
Oh, good to me

So I say with a smile  
'Cause I know that he'll be good  
You better be good to me  
You better be good

Gonna set your bright, soul alight  
I'm gonna play my right card tonight  
I'm gonna fly my bike, ride my kite  
I'm gonna eat you up bite you by the
