You said we'll meet up at your place
At half past four, but you showed up at eight
You're smoking with the boys next door
Next day we made a dinner date, yeah
I showed up, but you already ate
You're joking, you better eat some more

Don't have time for romance
Boy, I got other plans
My wishes walking mad
And I'm planning on giving you up

Oh yeah, yeah, yeah
Yeah, I'm planning on giving you up
Oh yeah, yeah, yeah
Tell your mamma I'm breaking it off
Oh yeah, yeah, yeah
Yeah, I'm planning on giving you up
Oh yeah, yeah, yeah
Boy, I'm never a sucker for love

You came down to see me at a show
You couldn't find time to even say hello
Too busy handing out your demo

I hate to break the news
You got some bad reviews
You better learn the blues
'Cause I'm planning on giving you up

Oh yeah, yeah, yeah
Yeah, I'm planning on giving you up
Oh yeah, yeah, yeah
Tell your mamma I'm breaking it off
Oh yeah, yeah, yeah
Yeah, I'm planning on giving you up
Oh yeah, yeah, yeah
Boy, I'm never a sucker for love

Boy, I'm never a sucker, never a sucker
Boy, I'm never a sucker for love

Whoa, any struggle with half a mile
Would it get you walk a hundred times
Who thinks that loves you, please get in line
'Cause I'm planning on giving you up

Save your money on Christmas time
On the birthday cards and on Valentine
Well, stick 'em up where the sun don't shine
'Cause I'm planning on giving you up

Yeah, yeah, yeah
Yeah, I'm planning on giving you up
(I'm gonna give you up)
Yeah, yeah, yeah
Tell your momma I'm breaking it off
(So go tell her)
Yeah, yeah, yeah
Yeah, I'm planning on giving you up
(Gonna give you up)
Yeah, yeah, yeah
Boy, I'm never a sucker for love

You said we'll meet up at your place
You're smoking
Boy, I'm never a sucker
Boy, I'm never a sucker
Boy, I'm never a sucker for love
