It all looked so good in your memory  
But it didn't taste as sweet as it was meant to be  
How did I end up caught between two cities?

Heaven knows that now I'm so out of touch  
Lost in time need to find, wanna feel that rush  
Still hear your whisper in my ear  
Like you did before

Oh,

I heard you didn't get what you came for, baby  
I heard it wasn't all you thought it would be  
Time is a healer, but sometimes, baby  
Some things are sweeter in history,  
Sweeter in history

Lord knows I tried but I can't let go  
Stuck hanging on to something that we used to know  
You never wake the dead while they're sleeping

You show up thinking we can pick up where we left before  
I hate to tell you this but only ghosts can walk through walls  
Wishful thinking never took you where you need to go

Oh,

I heard you didn't get what you came for, baby  
I heard it wasn't all you thought it would be  
Time is a healer, but sometimes, baby  
Some things are sweeter in history,  
Sweeter in history

Oh there's a reason why I locked you away  
Because I'm trying to keep the memory the same  
Too good to be true, I knew  
I don't know what you're hoping to find  
Oh, did you think that I'd just fall into line

With your perfect design  
And everything would just be how it used to be?

Sweeter in history (4x)
