Ya never know what you're gonna feel, oh
Ya never see it comin', suddenly it's
real
Oh, never even crossed my mind, no
That I would ever end up here tonight

All things change when you don't expect them
to
No one knows what the future's gonna do
I never even noticed that you've been there all
along

I can't take my eyes off of you
I know you feel the same way too
I can't take my eyes off of you
All it took was one look for a dream come true
Yeah yeah yeah yeah, oh oh

Yeah, we got a good thing goin' on
Oh, right here is right where we belong
You never really know what you might find
Now all I see is you and I
You're everything I never knew
That I've been looking for

I can't take my eyes off of you
I know you feel the same way too
I can't take my eyes off of you
All it took was one look for a dream come true

Can't take my eyes off of you
(Oh oh oh yeah)
Oh oh oh
(So let the music play)
Can't take my eyes off of you
(Yeah, this feeling's getting stronger)
And I never ever felt this way

Alright, I see everything in your eyes, oh
Alright, something's happening
Cause everyone's around
But you're the only one I see

I can't take my eyes off of you
I know you feel the same way too
I can't take my eyes off of you
All it took was one look for a dream come true

I can't take my eyes off of you
Feelings like I never knew
I can't take my eyes off of you
From the start got my heart, yeah you do
Can't take my eyes off you
