As I look back in time
Its clear for me to see
That I was meant for you
And you were meant for me
Since the day we met
Had only eyes to see one another
No one else could compete

Looking back I remember
All the fun and games
And what weve got right now
Really hasn't changed
Cos we always believed
Believed in what we had
So we did, did our best to make it last

Cos I have a love for you unbreakable
I have a love for you so strong
I have a love that's oh so deep
Cos Ive loved you all along
Cos I have a love for you unbreakable
I have a love for you so strong
I have a love that's oh so deep
Cos Ive loved you all along

Well have you ever wondered how we ever came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't turned and
walked away
And why I stayed
So have you ever wondered how we ever came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't turned and
walked away
And why I stayed

Many times Ive wondered
How weve kept our love alive
Cos weve come through some things
That others don't survive
But weve always believed
Believed in what we had

So we did, did our best to make it last

Cos I have a love for you unbreakable
I have a love for you so strong
I have a love that's oh so deep
Cos Ive loved you all along
Cos I have a love for you unbreakable
I have a love for you so strong
I have a love that's oh so deep
Cos Ive loved you all along

So have you ever wondered how we came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't turned and
walked away
And why I stayed
So have you ever wondered how we ever came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't turned and
walked away
And why I stayed

So have you ever wondered how we ever came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't just turned and
walked away
And why I stayed
So have you ever wondered how we ever came to be
Have you ever wondered why there's still a you and me
Have you ever wondered why I haven't turned and
walked away
And why I stayed
