I can never be sure
Why you make me feel the way I do
It's the danger excitement
I feel whenever I'm with you

With you I always feel so good
Some people say that
you've brought me to life
All I know is what I feel inside
When I'm with you I'm
on a natural high

I'm so glad to be with you
I wanna share everything you do
So glad to be with you
I wanna share in everything you do
Share it with me baby

You understand all my needs
You're always there for me
For you I'd do anything
That you would ask of me

Together we are a team

Side by side I hope that
we'll always be
Good for each other we both agree
That's why I'm so glad to be

I'm so glad to be with you....

I'm so glad to be with you....

I wanna be by your side
Wanna be with you tonight
You're all I ever wanted
Yes, you are all I ever wanted baby

I wanna be by your side....

I'm so glad to be with you....

I'm so glad to be with you....

I'm so glad to be with you....
