We've come too far we can't turn back
Have our good days, have our bad
When I'm feeling blue
You say that I'm hurting you
We try so hard not to fight
But sometimes we cross the line
And I wanna leave
But you
Won't let me
We have our highs and lows
Just like everybody else
Doesn't mean that we walk away
We work through our mistakes

Chorus:

Sometimes I love you
Sometimes I don't
But I never ever
Never want to let you go
The road's not easy
But the feeling's strong
It's the little things that keep me holding on
We're both guilty of mistakes
Though you rarely take the blame
Are you coming through
Sometimes
I hate you
But it's not mistakes in life you make
It's the good you do along the way
The dues you pay

We have our highs and lows
Something everybody knows
Doesn't mean that we run away
We work through our mistakes

Chorus

Ohhh
Of all the crazy things in life there's pain
It's you and me
We've come so far sometimes I can't believe

That I wouldn't change a thing

Chorus x 3
