Summer comes, Winter fades,
Here we are just the same,
We don't need pressure, don't need change,
Let's not give the game away.
I used to be an empty space,
A photograph without a face,
But with your presence and your grace,
Everything falls into place.

Chorus

Just please don't say you love me,
'cause I might not say it back,
Doesn't mean my heart stopped skipping when you look at
me like that.

There's no need to worry when you see just where we're
at.

Just please don't say you love me
'cause I might not say it back.

Heavy words are hard to take,
Under pressure, precious things can break,
And how we feel is hard to fake,
So let's not give the game away.

Fools rush in.
And I've been the fool before,
This time I'm gonna slow down,
'cause I think this could be more,
The thing im looking for.
