I am finding out
That maybe I was wrong
That I've fallen down
And I can't do this alone

Stay with me
This is what I need please

Sing us a song
And we'll sing it back to you
We could sing our own
But what would it be without you

I am nothing now
And it's been so long
Since I heard a sound
The sound of my only hope

This time
I will be listening

Sing us a song
And we'll sing it back to you
We could sing our own
But what would it be without you

This heart it beats
Beats for only you

This heart it beats
Beats for only you

This heart it beats
Beats for only you
My heart is yours

This heart it beats
Beats for only you
My heart

My heart is yours
My heart is yours

My heart is yours
My heart is

I am finding out
That maybe I was wrong
