"Never Fade"

Pinning polaroids on a cold brick wall
Hanging fairy lights on the garden porch
Gravitating to the nearest brawl
We're only young so we'll come back for me
And we'll let lanterns off at midnight
Looking for that cinematic view
We don't listen to advice
We're living dreams of sweet maroon

Sweet maroon

This isn't over 'til it ends
This is the one thing that we want to keep
And when it's done we'll still pretend
'Cause we're the ones that never sleep

Never sleep

Lights are burning fast in front of us
Our money's been inside collecting dust
We'll stay awake at night
'Cause we don't want to waste a second of our time

Of our time

We only lie when asked if we're okay
We lock ourselves up we only pray
That we won't be the sterling silver that turns grey
We are the sparks that never fade

Never fade
