Is there something I'm not seeing,
Something you're not telling me,
Cause I've been hearing different stories,
I don't know what to believe.

Is there a reason I'm not healing,
Or am I learning from this pain?
I've had a little trouble kneeling,
I don't know what to believe.

But I'm ready to question,
That life is a blessing,
So give me a sign,
I'm a follow it blind,
Is there anyone listening?
Is there anyone listening?
I don't know.

See I've seen devils, I've seen saints,
I've seen the lines between them fade.
I've seen pictures with no meaning.
I don't know what to believe.

But I'm ready to question,
That life is a blessing,
So give me a sign,
I'm a follow it blind,
Is there anyone listening?
Is there anyone listening?
I don't know.

Oh, does there have to be,
Someone telling me,
This time wrong feels right.

But I'm ready to question,
That life is a blessing,
So give me a sign,
I'm a follow it blind,
Is there anyone listening?

But I'm ready to question,
That life is a blessing,
So give me a sign,
I'm a follow it blind,
Is there anyone listening?
I don't know.
