Cause your so, your so, your so damn sexy (your so

Mi cuerpo me tiembla al verte a ti  
Y tus ojos me encuentran a mi  
Me ven bailando tanto  
Y no puedo parar  
Until you come beat on my drum

Oh yeah oh yeah oh yeah  
Oh yeah oh yeah oh yeah  
Me vez moviendo y no puedo  
Parar solo quiero

Hot Damn, here we go again  
Pop up with a girl and pop up with a friend  
When the judges pop up with the cards  
All across the board,  
All my women tens  
Sophia Del Carmen, Armando  
Sin el perico volando  
Estoy tratando de buscar billete  
Como Walt Disney sin Orlando  
Cuz she the best  
Pound for pound, flesh for flesh

I got bread, but no ballin'  
I leave them wet like New Orleans  
So play with it baby

You think she's cute?  
It's alright, I ain't jealous  
I'm okay with it baby

I feel like you know exactly what to do to me (what to do  
to me)

Cause your so, your so, your so damn sexy (your so  
sexy)

La musica sube  
Y mi corazon tambien  
Y ahora viene el sonido  
Ven damelo ya
