[Chorus]

Me neither, I can't lie
I'm still in the club
Poppin' bottles with my niggas
Drinkin' liquor, smokin' bud
Shorty what it does
My nigga what it do,
Pop a bean, bite down, do a line or two

Get drunk (get drunk)
Do a line (do a line)
Pop a bean (pop a bean)
Bite down (bite down) [x5]

[Big Duke]

You know I fall up in the club
Throw'd and blowed as usual
Pocket's on swole
Better know we choosin' hoes
Only choosin' those
That hit the door and lose they clothes,
Like to smoke dro
Pussy bigger then a tuba hole (hahaa)
I'm just bullshittin'
Doing shit how I usually do (yep)
Pay me no attention right now
I'm on a gram or two (damn)
My words might be slurred (slurred)
Vision's slightly blurred (blurred)
Swangin' down Glenwood I bang my rims against the
curb (what the fuck)
Pissed off, ticked off, cussin', lookin' at the sky
I ain't mad about the rims
I'm mad cause I've blown my high (my high)
And then I ask myself, what type of guy am I
I got some issues to address, this I cannot lie

[Chorus]

Me neither, I can't lie
I'm still in the club
Poppin' bottles with my niggas
Drinkin' liquor, smokin' bud
