I'm a grown man, yeah that what my momma said
Asked her for a ki while she packin? up my underwear
Underwear, over there, only got a couple pair
I've been fucked up all my life, don't nobody who even
care

Who don't care? They don't care
Dat old nigga know me, I be all up in da air
While they holdin? up my scrotum
I done told ?em, you ain't told ?em? Yes, I did
Well, now it's time to show them
?Coz the industry still thinkin? that we bullshit

I ain't quittin?, I ain't either, I'm still baggin? up the
reefer
Nigga know me ?coz I be the one that always talkin?
reefer
What chu want? 3 team, what I would try it as a man
Nigga know me ?coz a nigga still-a hangin? around the
countryback

Tell them why they really know you, they don't wanna
know
Yeah, they do, not for hangin? on the corner with a
blunt or two
But now at night time, nigga, know that I'm the truth
Pistol in my drawer, doin? the same shit my momma do

Big Gee, Big Gee, Zone 3, Zone 3
Straight up out da gutta, everybody know me
Gorilla Z, Zoe, everybody on the east, Zoe

Right there by the corner store and everybody fuckin?

You fuckin? know, you fuckin? right, thinkin? this a
open mike
My candy read ?U.S.A?, nigga, this is real life

Live twice, yeah right, I can be gone any day
Everybody love me at my grave or what they forced to
say
Aye, what? Tell you some, fuck these niggers wanna
know?
[Incomprehensible] dem up, and Gorilla Zoe

Bitch no, bitch no, I ain't trickin? everyday
You my favorite baby daddy, I'm ridin? wit chu anyway
You ride ?coz you tired livin? by the quarter mile
Niggas know me every time for Mr. Exit 65

Yeah, 6-5 we ride on, 24?s we slide
Through the eastside, despise those that lie
Check my background, my beef is certified
Break bread with killers, say breads would murder
