So, y'all betta go head on
Y'all don't really wanna go head on
Fuckin' with a real nigga, get a nigga killed
I'll spill yo brains on the side of a building

Nigga, you ain't gotta have my back, nigga
I don't gotta carry no gats, nigga
I don't gotta grab no bat, nigga
Y'all ain't bad like that

So, talk what you know ho and not what you heard
Don't be hatin' the playa 'cuz yo game is not as superb
I got niggaz out on the curb, tryin' to put out a verse
Servin' to people who can't seem to straighten out they

If you's a thug, go on, show us, shorty rush a nigga
If you's a hustla cop, some weights and build yo

If you's a killa then go and leave 'em bloody nigga

If you's a killa then go and leave 'em bloody nigga
And we some playas, we ain't worried 'bout them otha
niggaz

Yo we real life home invaders
Dressed in all black like the raiders
Snatch slugs and niggas, teddas if they playin' 'bout
that paper
Stay rollin' out Cali rovers, silencers and flash lights

Coming at me side ways, betta get yo fuckin' posture
right
Y'all niggaz mistaken, thankin' y'all can play us like a
chump
Treat ya like a baseball player and put ya in a
permanent slump
Niggas dump, jump, pumps in my lap, fuck the trunk

Please believe we bring the funk, yo, scrub erase a
chump
Every day an episode mostly ova chunky ho's
That's why I be often throwed, play the game how it go
All we do is bob and weave, search fo ways that we can
eat
Still stuck out here in the streets, all of us got a mill
apiece

If you's a thug, go on, show us, shorty rush a nigga
If you's a hustla cop, some weights and build yo
muscles, nigga
If you's a killa then go and leave 'em bloody nigga
And we some playas, we ain't worried 'bout them otha
niggaz

If you's a thug, go on, show us, shorty rush a nigga
If you's a hustla cop, some weights and build yo
muscles, nigga
If you's a killa then go and leave 'em bloody nigga
And we some playas, we ain't worried 'bout them otha

niggaz

No time for talkin', if you want it come and get it
Fuck that sucka, start to poppin', I'm the one that's in
the trenches
Told 'em Bibles 'n Crusafixes, life ain't 'bout what it
seems
I sleep when I'm wide awake, wake up, I be in a dream

Livin' a nightmare, go halkin' with Stephen King
You work with a butcher knife, be lookin' like Wolverine
I run with my dead folks, my life is stuck in between
I'm one with the holly ghost, we say no 'bout twice a
week

You a killa, well gone and kill, you a gangsta, well join a
gang
You a pimp, well then pimp a bitch, get 'em rich or just
get the change
See I live by the quarter mile, I'm walkin' against the
grain
Now call it like daddy, call it the rest is in Jesus name

If you's a thug, go on, show us, shorty rush a nigga
If you's a hustla cop, some weights and build yo
muscles, nigga
If you's a killa then go and leave 'em bloody nigga
And we some playas, we ain't worried 'bout them otha
niggaz

If you's a thug, go on, show us, shorty rush a nigga
If you's a hustla cop, some weights and build yo
muscles, nigga
If you's a killa then go and leave 'em bloody nigga
And we some playas, we ain't worried 'bout them otha
niggaz

If you's a thug, go on, show us, shorty rush a nigga
If you's a hustla cop, some weights and build yo
muscles, nigga
If you's a killa then go and leave 'em bloody nigga
And we some playas, we ain't worried 'bout them otha
niggaz

If you's a thug, go on, show us, shorty rush a nigga
If you's a hustla cop, some weights and build yo
muscles, nigga
If you's a killa then go and leave 'em bloody nigga
And we some playas, we ain't worried 'bout them otha
niggaz
