Niggas mistaken thankin' y'all can play us like a chump
Treat ya like a baseball player and put you in a
permanent
Slump niggas dump jump pumps in mah lap fuck the
trunk please
Believe we brangin' the funk yo scrub erase a chump

Every day an episode mostly ova chunky ho's
Thats why I be often throed play the game how its go
All we do is bob and weave search fo ways that we can
eat
Still stuck out here in the streets all of us got a mill
apiece

If you a thug gone show us shorty rush a nigga
If us a hustla cope yo weights and build your muscle

If us a killa then gone leave um bloody nigga
And playas we ain't worried 'bout them Otha niggas

If you a thug gone show us shorty rush a nigga
If us a hustla cope yo weights and build your muscle

If us a killa then gone leave um bloody nigga
And playas we ain't worried 'bout them Otha niggas

No time for talk if you want it come and get it
Fuck that sucka start to poppin' I'm the one
That's in the trenches tottin' bottles and crucifixes

Life ain't 'bout what it seems

I sleep when I'm wide awake wake up I be in a dream
Livin' a nightmare go halkin' with Stephen King
You work with a butcher knife be lookin' like Colver
reign
I run with mah dead folks mah life is stuck in between

I'm one with the holly ghost we say no 'bout twice a
week
You a killa we'll gone and kill you a gangsta we'll join
you
A pimp we'll then pimp a bitch get 'em rich or just get
The change see I live by the quarter mile I'm walkin'
against the grain
Now call it like daddy call it the rest is in Jesus name

If you a thug gone show us shorty rush a nigga
If us a hustla cope yo weights and build your muscle
niggas
If us a killa then gone leave um bloody nigga
And playas we ain't worried 'bout them Otha niggas

If you a thug gone show us shorty rush a nigga
If us a hustla cope yo weights and build your muscle
niggas
If us a killa then gone leave um bloody nigga
And playas we ain't worried 'bout them Otha niggas

If you a thug gone show us shorty rush a nigga
If us a hustla cope yo weights and build your muscle
niggas
If us a killa then gone leave um bloody nigga
And playas we ain't worried 'bout them Otha niggas

If you a thug gone show us shorty rush a nigga
If us a hustla cope yo weights and build your muscle
niggas
If us a killa then gone leave um bloody nigga
And playas we ain't worried 'bout them Otha niggas
