I got my granny up knocking at my bedroom door but
I'm... Still Slizzard from the night before.
I got my patna in da lac talkin bout let's go but I'm... Still
Slizzard from the night before.
He say he bout to let the fire hit the tip of the dro but
I'm... Still Slizzard from the night before.
I'm tryna get my shit my shit together but I still move
slow 'cause I'm... Still Slizzard from the night
before.

It was Monday night. I was down at Magic's just me,
Jeezy and Jody you know we causin habits. I'm on dat
Henny straight. Dro minus the flake. Wit a mobsta
plate, eatin shrimp and steak. They got the music
bumpin', big ass tities jumpin', we feelin' ignant so we
holler at BITCH FUCK SUM you know I'm from the
dirty, you we keeps it crunk. We past tipsy in this bitch
dawg we dead drunk, Jeezy just threw ten
thousand single on the fuckin floor. That's when I was
like Man, it's time for me to go. I can't drank no
mo' I can't even score. Gots to be up on your toes
fuckin round with these hoes. One minute you gettin
your dick sucked the next minute you ice cold. These
bitches ain't really real they just know how top
play they roll but to a real nigga they game gone
