mou daremo inai kono chiisana hiroba ni
boku wa mada futari o oboeteru

kare wa shitteita no kana
tagai ni hikareteita koto o...

hakanai menazashi de mitsumeteta...

yasashiku hohoendeita
kare no kehai ni ki ga tsuku tabi ni...

kotoba wa kawasareru koto wa nakute mo

ima wa yume no you na maboroshi wa kioku no naka e
ano toki no menazashi wa kieteitta mama

~English Translation~

No one's here in this quiet little plaza
I still remember the two of us

I wonder if he knew
What attracted us to each other...

Gazing at each other with fleeting looks...

He was smiling kindly
Each time I noticed his sign...

And words were never even exchanged

Now, the dream-like phantom is inside my memories
As the looks of that time have faded
