~English Translation~

Everything inside of memory  
Is simply forgotten  
There are things I must not do  
In front of my eyes  
Forms are never even made  
In there, there is breath  
And there is throbbing  
And there are softly curved painted lights  
I close my eyes  
I stretch out these arms  
If I feel something with my fingertips  
Surely someday again  
I'll meet you

Surely someday...
