-English Translation-
The thing that appeared in front of my eyes vanished
The voice that cut my dreams to pieces
In this world that's full of lies
Tease me...Break me
A capricious girl's change
If you can embrace each other on this earth
If you notice a person's an imitation
Pull my strings...Make me live
That voice that can be heard distantly
Noah's boat that's full of delusions
Beat me...Stop me
Violate me
Lie...you who ripped up my chest

Robbed me of my voice
Stopped up my eyes
Hate me...Pity me
Tease me...Break me
Beat me...Stop me
Violate me...Kill me
Leave everything behind
Even now at that place I'm only looking at you
Lie...you who ripped up my chest
Robbed me of my voice
Stopped up my eyes
Lie...Gently rip me up
Softly embrace me
Pl-e-a-se-save me
