(Sakurasou - Primrose)

komorebi ni te o kazashi, furimuite sotto hohoemu
shizuka na kaze no naka de, omowazu dakishimeta

terenagara me o tojite, yasashiku kisu o shita
anata wa nani yori mo kirei na hana deshita

anata ga suki deshita

zutto suki deshita

~English Translation~

Shading your eyes from the light between the trees,
you turned around and softly smiled at me
Inside of a calm breeze, I was holding you before I
even realized it

Blushing, you closed your eyes and softly kissed me
You were more beautiful than any other flower

I loved you

I always loved you
