SAYONARA

Sayonara ... aishita taisetsu na hito  
Koboreta namidaga yuki ni kawaru  
Sayonara ... naiteta kinou madeno boku  
Shizukani me o tojite

Sarigenaku kata o yosete  
Madobe ni motareta  
Sukoshi tereta shigusa de  
Boku wa waratte ita  
Karuku hoho ni kisu(kiss) o shite  
Aruite yuku kimi o  
Zutto miteta  
Sayonara ... aishita taisetsu na hito  
Koboreta namidaga yuki ni kawaru  
Sayonara ... naiteta kinou madeno boku  
Shizukani mewo tozite ...  
Chi-same no te-buru(table) de  
Hutari dake no yume o...  
Mienai mirai saemo  
Kowaku wa nakatta  
Hazimete no (album) arubamuni  
Ureshisou na kimi o  
Sotto miteta

Sayonara ... aishita taisetsu na hito  
Kimi e no omoi dake wa kitto nokoru  
Sayonara ... naiteta kinou madeno boku  
Shizukana yoru dane  
English translation:  
Sayonaramy beloved, precious person.  
Tears spill and turn to snow.  
Sayonarato the me who cried until yesterday.  
Quietly now, close your eyes.  
Brushing past my shoulder without ado,  
You went to lean against the windowsill.  
You were acting brave, yet shy  
I laughed a little,  
And compelled, lightly kissed your cheek.  
My gaze was riveted to you only  
As you walked out of view.  
Sayonaramy beloved, precious person.

Tears spill and turn to snow.  
Sayonarato the me who cried until yesterday.  
Quietly now, close your eyes.  
Sitting at a small table together,  
There were only our dreams  
Even our uncertain future  
Was nothing to fear.  
You watched quietly while I looked at you in the new  
album.  
The you within it seemed delighted.  
Sayonaramy beloved, precious person.  
I will always remain thinking of you only.  
Sayonarato the me who cried until yesterday.  
Its a quiet night, wouldn't you say?  
Farewell to you, my dear loved one.  
Teardrops turn into snowflakes.  
Farewell to me, crying 'til yesterday.  
Now just close my eyes...  
I hugged your shoulder unobtrusively  
And leaned against the window.  
With a little bit of bashful behavior,  
You smiled at me shyly.  
Slightly you kissed on my cheek,  
I was staring at you,  
As you walked away to the door.  
So long to you, my precious loved one.  
Teardrops turn into snowflakes.  
So long to me, grieved 'til yesterday.  
Now just close my eyes...  
At the smallish table,  
We shared our dream together.  
Even our future was unable to see for sure,  
I was not scared at all.  
It was because,  
Delighted with our first album together,  
You seemed so happy looking at it.  
And I was just staring at you.  
Farewell to you, my dear loved one.  
Only my love to you will remain forever.  
Farewell to me, crying 'til yesterday.  
'Tis one silent night...
