It's actually a sexual thing
See, I'm just not attracted to you

I don't want to have to bring this up
I am getting sick of all your crap
I don't love you anymore
Whadya say? Whadya say?

I don't want to have to bring this up
I am getting sick of all your crap
I don't love you anymore
Whadya say? Whadya say?

I don't want to tell you you're a whore
I don't believe the shit you said at my front door
I don't love you anymore
Whadya say? Whadya say?

I don't want to tell you you're a whore
I don't believe the shit you said at my front door
I don't love you anymore
Whadya say? Whadya say?
