My head is filled with distant thunder  
for i no longer sleep  
i just lay there and wonder

my head is filled with acts of rage  
for i can not relive my days

don't know why i love you  
cause i seem to forget  
don't know how much i love  
but it's more than a little bit

(chorus)  
but i can't make you happy  
and you can't make me care  
so let's go to our separate rooms and leave each  
other there

but i can't make you happy  
and you can't make me care  
so let's go to our separate rooms and leave each  
other there  
reflecting on the times we'd bicker  
the words formed from our mouths were bitter  
emotions felt were thrown in the air  
and severed well beyond repair

don't know why i love you  
cause i seem to forget  
don't know how much i love  
but it's more than a little bit

(chorus)  
don't know why...  
i can never make you happy

don't know why  
you can never make me care

i can't  
make you  
happy...

you can't  
make me care...
