ColdÂ...  
darkÂ...  
on empty pavement  
you think  
of where  
the time and day went  
you hope  
and dream  
youÂ'll awaken tomorrow  
and be  
free  
from this life of sorrow  
but still

(chorus)  
youÂ're on a winding road  
you search to find a home  
racing towards the end  
without a hand to lend  
then youÂ're never seen again  
when youÂ're a transient

you float  
alone  
a soul solitary  
you pray  
for shore  
to bring sanctuary

to kiss  
the sand  
as so many waves do  
to be  
the man  
you always have dreamed to  
but stillÂ...

(chorus)

(bridge)  
may the dawn be your saving grace  
may the sunshine upon your face

may you see your way through the rain  
may you never be lost again  
may you have everlasting strength  
may you find your way home again  
may your future be here today  
you will get there but until then

(chorus)
