We had the chance to turn the pages over
We can write what we wanna write
We gotta make ends meet before we get much older

We're all someones daughter
We're all someones son
How long can we look at each other
Down the barrell of a gun

You're the voice, try and understand it
Make a noise and make it clear
Woah, woah, woah, woah
Woah, woah, woah, woah
We're not gonna sit in silence
We're not gonna live with fear
Woah, ah, ah, ah
Woah, ah, ah, ah

This time you know we all can stand together
With the power to be powerful
Believing we can make it better

Oh, we're all someones daughter
We're all someones son
How long can we look at each other
Down the barrell of a gun

You're the voice, try and understand it
Make a noise and make it clear
Woah, ah, ah, ah
Woah, ah, ah, ah
We're not gonna sit in silence
We're not gonna live with fear
Woah, ah, ah, ah
Woah, ah, ah, ah

-Instrumental-

Oh, we're all someones daughter
We're all someones son
How long can we look at each other

Down the barrell of a gun

You're the voice, try and understand it
Make a noise and make it clear
Woah, ah, ah, ah
Woah, ah, ah, ah
We're not gonna sit in silence
We're not gonna live with fear
Woah, ah, ah, ah
Woah, ah, ah, ah

You're the voice, try and understand it
Make a noise and make it clear
Woah, ah, ah, ah
Woah, ah, ah, ah
We're not gonna sit in silence
We're not gonna live with fear
Woah, ah, ah, ah
Woah, ah, ah, ah
