One
the skin I kissed
one
the man I missed
one
is what I've lost
one
who pays the cost
one
the day I die
one
will to survive
one
the hand I use
one
the word confused
one
the breath I take
one
that day I break
one
consuming dream
one
girl I esteem
one
is what I like
one
day is mine
one
is what I want

one's the yes of
slave
one's the arm of
faith

one
is my regret
one
is what I'm trying to get
one
the meaning of the feast

one
the Beauty and the Beast
one
the best breast size
one
the voice I recognize
one
the answer I want
one's the yes of
slave
one's the arm of
faith

one
the breath I take
one
that day I break
one
consuming dream
one
girl I esteem
one
is what I like
one
day is mine
one
is what I want

one's the yes of
slave
the voice I recognize
oh yeah
one's the arm of faith
the voice I recognzie
babe, oh yeah
eh eh eh

One
the skin I kissed
one
the man I missed
one
is what I've lost
one
who pays the cost
one
the day I die
one
will to survive
one
the hand I use

one

the word confused
the word confused
the word confused
the word confused
