Inside of this soul there is not much control  
When the walls are falling down  
There is no one to help you when you need it most  
You got to stand your own ground

Fortress of Solitude  
Fortress of crime  
Fortress of Solitude  
Don't waste my time

Pictures are flashing and burning my brain  
How can I focus with all of this pain?  
Noises are creeping inside of my ear  
How can I live my life when all I feel is fear?

In good times and bad times you are there for me  
The one that I care for but no one can see  
The shadow is dancing a warrior's dance  
This time I won't make it, I don't have a chance

Fortress of Solitude  
You can't win  
I won't go down  
So don't waste my time
