"In The Deep Of Gaia"

The last day over your body
And now is time of my journey
Into the heart of the earth
In the deep of gaia.
I feel the last wind of the day
The last ray of the sun
I feel the touch of the dark
Into the heart of the ground.
My body is not a cell
Now I live this
And will fly away in the deep
Of the eternal, eternal night.
Only a piece
A piece of flesh, in the past
Now only my thoughts are live
Nobody can feel this sense.
I'm not alone, all my thoughts stay with me
I only live for today, no yesterday, no tomorrow
Only this moment is the truth
And now I live in the deep of Gaia.
