In the wood of silence

I'll be waiting for you

You know I need your blood

Elixir of the immortals.

My soul is dying for you

My body don't resist, for more

I am the king of shadows

Slave into your kingdom of light.

[Chorus:]

Waitin' for the sun

Dreamin' to be free

When the shadows come

I'll can see your face

Then I will be dead

But my soul will be alive

Waitin' for the sun

Dreamin' to be free.

OH, father please forgive me

Forgive me cause I hate you

The whore life that you give me

Now isn't enough for my dreams.

Angels outcry for kill me

I am the devils bearer

Oh, fullmoon's night and poetry

You know I only want to die.

[Repeat Chorus]
