Georgia, I swear I never seen such a smile  
Gorgeous enough to make an angel's heart run wild  
Your lazy eyes and small-town lies  
Have got me in your spell  
Your drive-in boys and back-seat noise  
And oh, you learned so well  
Oh, oh, oh, so how was I to know  
You got me, you got me right now  
Georgia, your daddy was high the night he dreamed  
up you  
Georgia, the stars were flyin' the night that you came  
through  
Crystal sea of lights  
Oh, what a nice surprise  
Oh, oh, oh, and now I miss you so  
But baby, I'm comin' back to you  
Georgia, we will be together, dear  
If they ever let me out of here

They will say that it's not true  
But I did it all for you  
Georgia, won't you tell them for me dear  
Georgia, girl I never lived through a night like that  
Sure enough got your lovin' where I like it at  
Moonlight through the pines  
Oh, oh, oh, but how were we to know  
That wasn't moonlight, they were searchlights, oh no  
Georgia, we will be together, dear  
If they ever let me out of here  
They will say that it's not true  
But I did it all for you  
Georgia, won't you tell them for me dear  
Georgia, we will be together dear (oh, my dear)  
If they ever let me out of here
