One day you may
Find true love that will last forever and ever
Till then you'll spend a lifetime wishing one together
You never thought she'd say goodbye
And you'll never understand the reasons why

Heart of mine, how will you keep from dying
Stop reminiscing, who is she kissing
Heart of mine, oh, what's the use in trying
No one can mend you now

Love plays cruel games
You can't believe she's found another lover
Does she miss me, sometimes you just can't help but
wonder
No, you can't hold the hands of time
And you'll always be the one she left behind

Heart of mine, how will you keep from dying
Stop reminiscing, who is she kissing
Heart of mine, oh, what's the use in trying
No one can mend you now

And you'll never understand the reasons why

Heart of mine, how will you keep from dying
Stop reminiscing, who is she kissing
Heart of mine, oh, what's the use in trying
No one can mend you now

Oh, heart of mine
Heart of mine
Heart of mine
