Cause of fear is fear itself  
Check out your own back yard  
Before you check out someone else  
Railroad tracks in my neighborhood  
Ain't no trains around, that boy just ain't no good

Wanna know what's going down  
And the pimp on the corner  
Looks like the sharpest cat in town

Jungle rule, can't be no fool  
Might get caught by the hook or the crook  
Hot time for cool (hot time for cool)  
Look out Jake what you say  
What you carrying brother  
I hope you're clean cause the man is mean  
Don't have another brother

We all know the answer will come out in time  
I might even carry some of your load along with mine  
Thank you ma'am, mister please  
But I must be Hercules (must be Hercules)  
Must be Hercules (must be Hercules)

Like a bird on the wing  
I just wanna be free enough to do my thing  
I can feel the pressure on every side  
If you not gonna help, don't hurt, just pass me by

Hercules (Hercules)  
Must be must be Hercules (must be must be Hercules)

Jungle rules, can't be no fool  
The devil is on the loose, no cool  
Got your feet in the sand  
Got to be down with the cats around  
And you still gotta face that man

Talk about me if you please  
Must be Hercules (must be Hercules)  
Must be Hercules (must be Hercules)

Pitching rocks catching stones  
How can I survive, what's going on  
Beg, steal, borrow  
Somehow I've gotta make it 'til tomorrow  
Just like Hercules (just like Hercules)

Thank you ma'am, mister please  
Must be Hercules (must be Hercules)  
Must be Hercules (must be Hercules)

Talk about me  
Must be Hercules (must be Hercules)
