It's Over

Boz Scaggs

Background vocals: Maxine Green and Boz

BACKGROUND VOCALS:

Best of friends

Never part

Best of fools has loved forever

From the bottom of his heart

So why pretend

This is the end

You'll have to find out for yourself

Go on ask somebody else

Chorus:

Why can't you just get it through your head

It's over, it's over now

Yes, you heard me clearly now I said

It's over, it's over now

I'm not really over you

You might say that

I can't take it, I can't take it

Lord, I swear I just can't take it no more

(Go away) go away

(Far away) so far away

It's too late to turn back now

And it don't matter anyhow

'Cause you were right

I'm to blame

Can't go on the same old way

Can't keep up the same old game

(Chorus)

I'm not really over you

You might say that

I can't take it, I can't take it
Lord, I swear I just can't take it no more

(Chorus, repeat and fade with ad-libs from Boz)
