I don't need no fortune  
I'll tell you the reason why  
I've got more than anything  
Money can buy  
I've got your love love love  
That's more than anything  
Money can buy

Cause money can't buy that kind of love no

I was lost  
I was drifting  
That I won't deny  
Till you gave your heart to me  
Said let's give love a try  
I've got your love love love  
Here to hold me  
Against the tide  
Against the tide

You know a man sworn to nothing  
Can make you wanna cry

I came to my senses  
Baby dry your eyes  
I've got your love love love  
That's more than anything  
Any old anything  
Mmmm

I was lost  
I was drifting  
That I won't deny  
Till you gave your heart to me  
Saying let's give love a try  
I've got your love love love  
Here to hold me  
Against the tide  
Against the tide  
Against the tide

Got love

Got love more than anything  
Hey hey hey hey  
Money can buy  
Hey money can buy
