(I want to be near you)  
I want to hear what you have to say  
(As long as I'm near you)  
Nothing will seem to pass away

Long as I'm near you  
Longing to hear you  
Long as I'm near you

I want to believe you  
When you say the things you do  
And so I believe you  
You make it all appear so true

Glad that I found you  
It's good to be around you  
Good to be near you

When it comes to making time  
Little girl, you sure made mine  
It's been my day  
To make my way to stay

(I want to be near you)  
You're my all  
You're my everything  
(As long as I'm near you)  
There's a song in my heart to sing

A song of your laughter  
Is all that I'm after  
I want to be near you

Love is such a happy song  
And when love comes along  
It's good to be alive  
It's good that you arrived on time

(I want to be near you)  
(I want to be near you)  
(I want to be near you)

(As long as I'm near you)  
(As long as I'm near you)  
(As long as I'm near you)

(I want to believe you)  
(I want to believe you)  
(I want to believe you)

(And so I believe you)  
(And so I believe you)  
(And so I believe you)

(I want to be near you)  
(I want to be near you)  
(I want to be near you)

(As long as I'm near you)  
(As long as I'm near you)  
(As long as I'm near you)

(I want to believe you)  
(I want to believe you)  
(I want to believe you)

(And so I believe you)  
(And so I believe you)  
(And so I believe you)
