Wish I knew  
Why I'm so in love with you  
No one else in this world will do  
Darling please save your love  
For me  
Mmmm run away  
If I were wise I'd run away  
But like a fool in love I stay  
And pray you'll save your love  
For me  
I can feel it  
Even when you're not here  
Can't conceal it  
I really love you my dear  
Though I know no good  
Can come from loving you  
I can't do a thing  
I'm so in love with you  
So darling help me please  
Have mercy on a fool like me  
I'm so unwise but still I plead  
Darling please save you love  
For me h-hmmm  
I can feel it  
Even when you're not here  
Can't conceal it  
I really love you my dear  
Can come from loving you  
I can't do a thing  
I'm so in love with you  
So darling help me please  
Have mercy on a fool like me  
I know I'm lost but still I plead  
Darling please save your love for me  
Save your love for me  
You can have fun with the crowd  
But for crying out loud  
Darling save your love for me  
Mmmm save your love for me  
All for me  
Cos I need you babe  
Need your sweet love

Need it all just for me girl  
You better save it now  
Bring it on home mmmm  
Please save your love. for me  
Darling save your love  
Save your love  
Save it all  
I need it all  
I want it. all your love  
All your love girl mmmm  
Save it all for me. Yeah
